## ABOUT THE COMPANY

Georgia Green Energy Services (GGES) offers a highly skilled and experienced staff of professional and technical personnel who have proven from past performance that they're able to assemble the right team in order to implement systems and strategies that help organizations achieve their goals.

GGES is committed to providing quality and consistent solutions for our corporate clients. We consistently find new ways to add value to our projects, and make every effort to go above and beyond the expectations of our clients.

GGES employees all have clean backgrounds and many years of experience. We have multiple levels of oversight to ensure projects are completed on time and below budget. We always maintain a safe workplace for our employees and clients. Project reports are the norm and our clients have become accustomed to the status reports, accessibility and customer service we provide.
